RE: Notice of Termination of Representation of Farmers Insurance Group

Dear (Insured):

On \_\_\_\_\_ (date), 2000, all of the Farmers policies produced by this agency were sold to Farmers, and under an agreement between the agency and Farmers, for a period of one (1) year, this agency will not compete with Farmers. However, the agency will write coverages not offered by Farmers and continue to service all non-Farmers policies. Your Farmers policies will be serviced by another Farmers agent. You will receive notice from Farmers of the name and location of the new servicing agent.

Please note of our new address and telephone number.

Please feel free to call if you have any questions.

Very truly yours,

\_\_\_\_\_  
(Agent)
